Alcohol by Volume	11,50
Volume	750ml
Ageing Potential from Vintage	< 20 Years
Ageing	Stainless Steel Vat

## Tasting notes

Super slim, crisp white wine. Sparkling white-yellow with very fine tears. Tight fresh, almost grassy attack with citrus fruits and juicy green fruit. Very fine texture and feather light with citrus notes on the finish. Perfect aperitif with raw seafood, cooked mussels and green vegetables. Also excellent to contrast with bold dishes such as suckling pig and bacon. Surprisingly long aging potential as the wine evolves very interestingly. Serving temperature: 10°C.
